Scenario 1: “Fix a problem”

“Hi! There is a problem with your account. Send me your password so I can fix it.“

a. What does the attacker want?
b. How do you know? (evidence words, clues, tactics)

Scenario 2: “Act quickly or lose the account”

“Warning! Your account will be closed in 10 minutes unless you act now. Click this link and log in immediately”

a. What does the attacker want?
b. How do you know? (evidence words, clues, tactics)

Scenario 3: “You won a prize!”

“Congratulations! You won a prize! Before we send it, enter your full name, birthdate, and email.”

a. What does the attacker want?
b. How do you know? (evidence words, clues, tactics)

Scenario 4: “Friends request + question”

“Hey! I’m new here. What school do you go to? What’s your full name?”

a. What does the attacker want?
b. How do you know? (evidence words, clues, tactics)

Scenario 5: “Verify your login”

“We noticed a login to the school system from a new device. Type your username and password to verify it.”

a. What does the attacker want?
b. How do you know? (evidence words, clues, tactics)

Scenario 6: “Free game coins”

“Hey I can get you special game coins, but I need a small payment first. Send me a €10 gift card code, and I will add the coins to your account.”

a. What does the attacker want?
b. How do you know? (evidence words, clues, tactics)
